PUBLIC WORKS

This week the Public Works Department continued picking up brush from last week's storm and trimming branches as needed throughout Town. The crew paved the drainage crossing on East Street and repaved around the new catch basins on Forest View Drive. The beavers have blocked the water flow at a culvert on Hope Valley Road and this is becoming a constant effort to keep it clear of debris. The Department assisted in removing demolition from the construction at the Peter's House. Our Mechanic and Forman attended a Fleet maintenance seminar this week to help keep current with new compliance laws and maintenance techniques.

PAPER SHRED EVENT – Saturday, November 11th 9:00 a.m. – 12:00 noon / RHAM upper parking lot. Andover, Marlborough and Hebron residents only.
