DEPARTMENT NEWS

PUBLIC WORKS DEPARTMENT

This week the Public Works Department started the week by maintaining the fleet of trucks. All vehicles were washed to remove the salt residue and repairs are constant during the winter months. A snow event on Wednesday kept the crew working late, and again on Thursday treating the roads for ice. Potholes were addressed and mailbox repairs were conducted as reported. The tree crew continued trimming and removals on West Street.

PLANNING AND DEVELOPMENT

Hebron Business Networking Meeting Scheduled: The newly-renovated Camp Hemlocks is hosting the next Hebron Business Networking session, sponsored by the Town's Economic Development Commission. Hebron businesses are welcomed and encouraged to join us there on Wednesday morning, February 28th from 8:00 - 9:30 a.m. for some breakfast, networking with fellow business owners and Town officials, and to participate in a tour of the recently-restored facilities. See attached newsletter for more information.

PARKS AND RECREATION

Parks

The Parks Department is currently working on the softball dugout upgrades at Veteran Memorial Park, as well as, upgrades on the baseball field. We are striving to keep all sites open and safe during this winter. The park crew is also responsible for removing snow from all sidewalks in downtown Hebron. We are also working on repairing all the equipment for the upcoming season.

HEBRON MAPLEFEST 2018

We are excited to announce that the 28th annual Hebron Maple Festival will take place March 17-18, 2018!

If you are interested in being a vendor at this event please download & fill out the vendor form [HERE](#). **Food Vendors** Please fill out [this form](#) as well.

The Chamber of Commerce, Inc. will be your host for the event. We are a non-profit organization with a mission to help organizations and businesses be more successful. The Town of Hebron is a member of the Chamber, and as such, we are here as a partner to help organize and grow this wonderful tradition and event.

We are fully insured for this event. However, our insurance does not cover the cost of lost, damaged or stolen property so please do not leave valuables unattended throughout the event.

Event fees help pay for the overall costs of the festival including police, buses, toilets, advertising, printing and signage. The fees are the same for businesses and non-profits.

Guests are looking for maple flavored items so please try to have something "maple" in your booth if you are serving food.

Vendor spaces are approximately 10' x 10' and all of them are outdoors on pavement. You must provide your own tables, tablecloths, signage, tents and other equipment. If you use a tent, and we strongly encourage that you do, please make sure you have weights to hold down the legs in wind. Vendors must be present for BOTH days of the event. If you leave early you will not be invited back. Your absence and empty space takes away from the flow and success of the event and reflects poorly on the remaining vendors.

The event is rain/snow or shine. We watch the weather forecasts very carefully. We will hold the event in the snow or the rain. ONLY if there is a blizzard will we cancel or postpone the event. If there is a blizzard forecast for one of the days (like Sunday) we may hold the event on the other day (Saturday) and cancel the blizzard day.

OUR MISSION

To promote the growth of
Hebron's non-residential tax

base in a manner consistent with the town plan while minimizing the impact on the existing environment or the desirable rural character of the community.

More details about this networking breakfast will follow as the event gets closer. Please contact John Guskowski at hedc@hebronct.com with questions. Hope to see you there!

Small Business Express - State of CT has funds available for expanding small businesses.

Funds are available through the Small Business Express Program (EXP), and can be a combination of revolving loan, job creation loan, and matching grant funds. These grants and loans can be used for working capital, purchase of equipment or machinery, construction or leasehold improvements, and a variety of other business-development purposes. The DECD has worked hard to make the process simple and streamlined, and encourages all established businesses with 100 or fewer employees to consider the Program.
