Discovery Zone Learning Center

Where all children are special and learning is fun!

Infant Program (6 weeks- 14 months)

Our primary objective in the Infant Room is to keep each child happy, secure, and safe. We know that by focusing on this, each parent will have the confidence of knowing that their child is in the right environment.

Toddler (14 months – 2.9 years)

At Discovery Zone Learning Center, our Toddler curriculum is based on current research in early brain development, early childhood education and developmental psychology. Through careful observation we can assure that individual developmental needs are being met.

Preschool (2.9 years – 5 years)

The Preschool/Kindergarten curriculum is divided into four areas:

**Language & Literacy Creative Expression
Science & Sensory Gross Motor Skills**

Before & After School

The after school program at Discovery Zone Learning Center is designed for children from grades K through fifth, and is fun, low-key, and neighborhood-like.

Tax Free Retirement Workshop

Many Americans assume that their taxes in retirement will stay the same or go down, unfortunately for most this may not be the case. Historical federal tax rates have been as high as 91% in the 50's, 70% in the 70's and 50% in the 80's. Upon retirement social security may be taxable as high as 85% to the recipient and required minimum distributions from retirement accounts also can create substantial taxable income. Include pensions, rental property income, capital gains, dividend and interest income and you can see the picture is somewhat unclear on future taxes.

MULTIPLE AGES

Friends of the Library Book Sale

The Friends of Douglas Library hold quarterly book sales whose proceeds support the library's collections and programming needs. The next Book Sale is on Saturday, September 17th from 9am to 3pm.

Homebound Program

Did you know the Douglas Library had a Homebound Delivery Program? To qualify for this free service, the homebound patron must live in either Hebron or Amston. To be eligible to receive items for home delivery, the patron must be the following; 1.) Confined to their home due to prolonged illness, extended convalescences, or advanced age and have no household member available to get to the library for items. 2.) Have a temporary or permanent physical or mental disability that prevents them from coming into the library.

Call the library to see if Homebound Delivery is an option for you!

Volunteer Opportunities

The library has various volunteer opportunities. Currently, we offer both inside and outside volunteer hours as we have recently been working on a community garden project. We are also interested in creating a Teen Advisory Board. This teen volunteer group would help the library with program planning, collection guidance and space planning for our Young Adults. Any of these volunteer hours can be set up by visiting the library and filling out our volunteer form.

The trail is now a recreational haven for hiking, horseback riding, mountain biking, running, etc. (Non-motorized pursuits only). The Trail can be accessed at Grayville Park, or off Route 85, near Route 85 Lumber. Take a morning or early evening stroll, or bring the kids with their bikes! For inspiration, visit Photographer Stan Malcolm's website, which hosts scores of beautiful pictures from the Trail: www.performance-vision.com/airline.

Notice to Dog Owners

State statute states dogs must be under the direct control of its owner at all times, including town parks. Many children playing at our parks may be frightened of a loose dog. Help keep our parks clean.
