Congratulations to Tae San on 20th Anniversary in Hebron!

As participants of the recent Business Networking Breakfast learned, Tae San Taekwondo & Yoga is celebrating its 20th Anniversary on Main Street in Hebron.

In 1996, Scott Lesinski came to Hebron and opened the school while training under Master Sang H. Kim, and shortly after, he married his wife Dawn, who started teaching yoga there as well. Together they built Tae San and have helped to cultivate health, fitness and safety in the community for the past two decades. As the school grew, the after-care "Youth Program" was created.

The newly renovated, 4,300 square foot facility houses 2 separate training rooms, an outdoor recreational area and archery range. Kickboxing, full time summer care and parties have been recently added to their services.

Scott was appreciative of the opportunity to share the continuing story of his and Dawn's success with the Hebron business community, saying "Thanks to the folks who came to the Business Networking Breakfast at Tae San. Twenty years ago I choose Hebron to start Tae San Taekwondo and Yoga

and we look forward to offering our new programs for another
20 years!"

Tae San is located at 111 Main Street. For more information,
class schedules, etc. please visit their website at TaeSanCT.com.
