Hebron EDC Community News

Join the Hebron EDC and Business Community at "Burgers, Business... and Beer" at Gina Marie's on Monday, January 29th, 2018

The Hebron Economic Development Commission (EDC) invites the businesses and residents of Hebron to join them to celebrate 2018 with a special evening business networking event that we're calling "Burgers, Business...and Beer" on Monday evening, January 29th from 6:00 - 7:30 p.m.

This networking event is made possible by the generous hospitality of Troy and Gina Kelsey at Gina Marie's, 71 Main Street, who will be providing the food (as well as making the cash bar available for beer and wine). This is a terrific way to start off the year right, networking with your fellow business community members and making plans for 2018.

OUR MISSION

To promote the growth of Hebron's non-residential tax

base in a manner consistent with the town plan while minimizing the impact on the existing environment or the desirable rural character of the community.

The members of the Hebron EDC will be in attendance to talk about their initiatives for growing Hebron's economic base as well as solicit feedback and suggestions for moving forward. We would love your company and your ideas.

Please join us for this lovely evening of great food and great networking. We hope to see you on the 29th.

Please contact John Guskowski, Hebron Economic Development Coordinator at hedc@hebronct.com for more details or to RSVP.
