Policies

Open Space Land Acquisition
Committee

Policies Overview

1. Guided by Hebron's 2014 *Plan of Conservation and Development*, the Inland Wetland Agency's riparian corridor protection areas, Parks and Recreation Master Plan, and the State Plan of Conservation and Development
 2. Land Acquisitions will, where possible, promote development of large open space blocks into Greenways
 3. Promote multiple use of open space parcels
 4. Develop a partnership with the State of Connecticut
 5. Promote State acquisition of certain parcels where appropriate
-

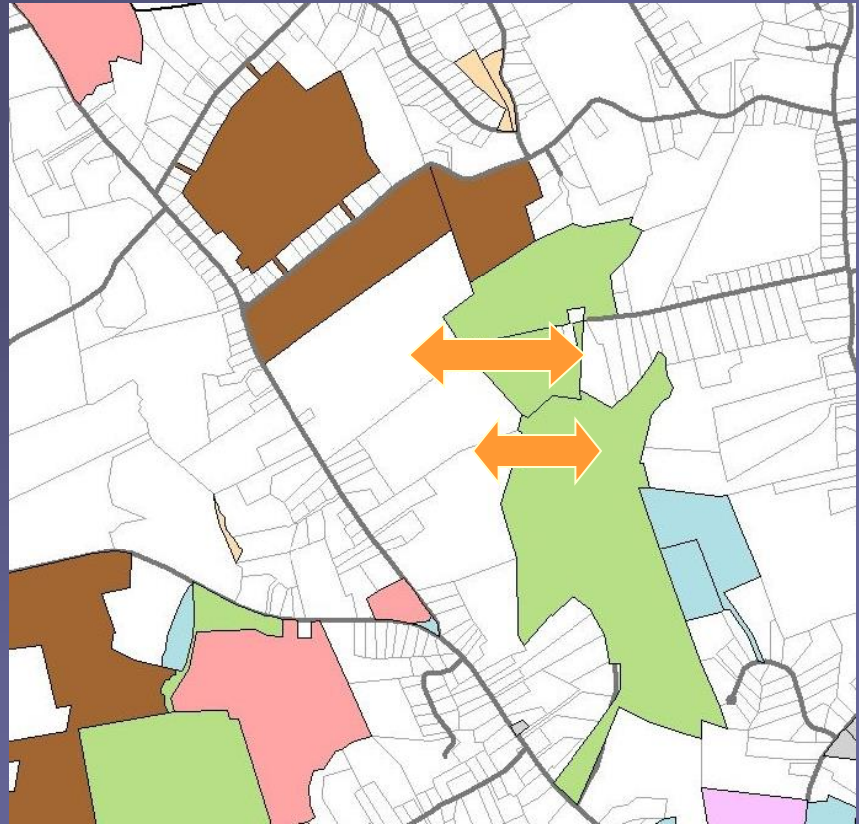

Policy One:

- Be consistent with Hebron's Future Open Space Plan
- Guided by the Inland Wetland Regulations corridor protection areas
- Guided by the Town's Parks and Recreation Master Plan
- Consistent with the State Plan of Conservation and Development

Policy Two:

- Create large blocks
- Connect the blocks into Greenway corridors

Policy Three:

Raymond Brook Preserve

Promote multiple uses
where possible

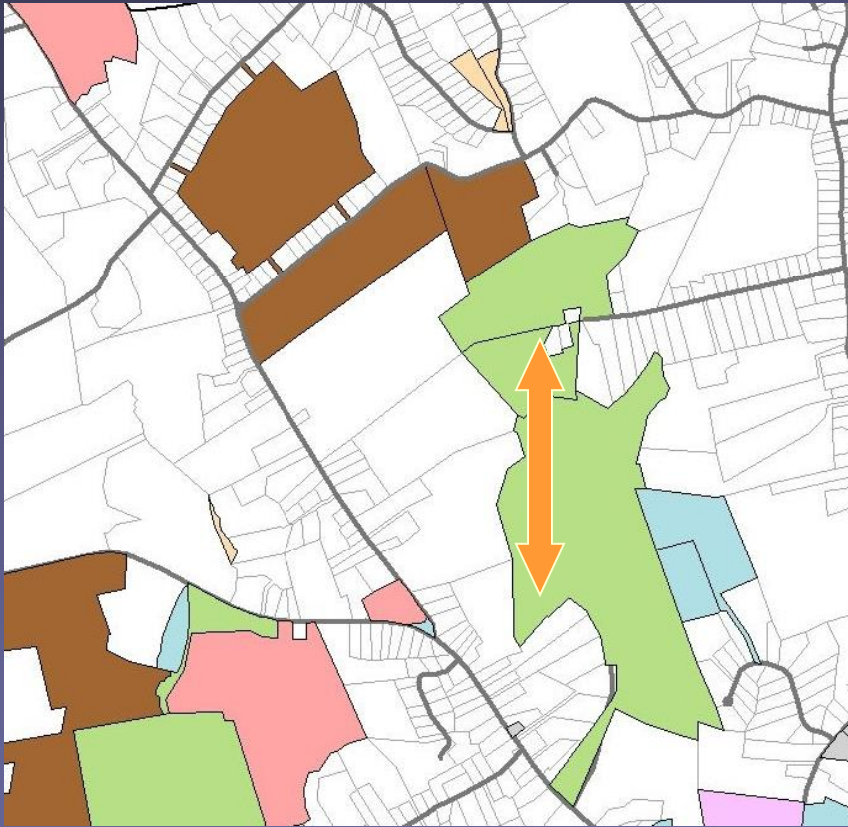

Policy Four:

Partnership with the State of Connecticut

- Provide surveys
- Fund appraisals
- Partial purchase
- Offer technical services

Policy Five:

Encourage State purchase where appropriate

- where land abuts existing State open space
- where it supports State goals

Top Preservation Priorities

1. Watercourse / Water Body Protection:

- Protect Fawn Brook and the West Branch Fawn Brook stream corridors, tributaries and headwaters
- Protect all other stream corridors, tributaries and headwaters (Raymond, Jeremy, Hope Valley and Judd Brooks)
- Preserve areas abutting significant water bodies

2. Farmland Preservation:

- Seek permanent preservation for unprotected working farmland
 - Protect other significant areas of prime farmland
- 

Top Preservation Priorities (cont.)

3. Extension of Existing Open Space Properties:

- Seek to enhance existing town-owned open space and parks with additional open space acquisitions
- Assist the State with acquisition of properties abutting state forest / parks

4. Air Line Trail Corridor / Connections:

- Preserve vacant parcels along the Air Line Trail establishing a permanent buffer
- Establish a trail connection from the Air Line Trail to the Neighborhood Convenience District and Raymond Brook Preserve and then north to Hebron Town Center
- Consider other trail extension opportunities

Top Preservation Priorities (cont.)

5. Protection of Gateway / Scenic Parcels:

- Consider open space acquisition / protection of parcels that provide a scenic gateway into the Town
 - Protect other vacant land that provide scenic views and community character
-

Fiscal Impact:

- The American Farmland Trust has completed 151 *Cost of Community Services* studies in 25 states between 1989 and 2009.
 - The results of those studies reveals that for every tax dollar these communities realized from residential development, the median amount they had spend in services was \$1.16.
 - ***Open Space Preservation Pays!***
-

Fiscal Impact

- The COCS studies also show that for each tax dollar communities received from privately held open and working lands, they expended only \$0.35 cents in services.
