

PROGRAM SUPERVISOR

Position Purpose:

The purpose of this position is to develop, promote, initiate, supervise and otherwise conduct a wide variety of age appropriate passive, active and developmental recreation programs and other programs offered by or under the direction of the Hebron Parks and Recreation Department. A program supervisor is responsible for maintaining and improving the efficiency and effectiveness of all areas under his/her direction and control.

Supervision:

Supervision Scope: Performs responsible duties requiring a high level of initiative and judgment in developing, planning, supervising and implementing the department's programs, activities and services, and supervising program volunteers, part time and other personnel; formulates, recommends and implements decisions regarding policies, procedures, and operations.

Supervision Received: Works under the general direction of the Parks and Recreation Director and according to professionally accepted and department policies, procedures and practices. The position is subject to review and evaluation according to the Town's personnel policies and procedures.

Supervision Given: A program supervisor is responsible for the supervision of all programs and staff within his/her assigned areas of responsibility and other programs and staff in the absence of other program supervisors or the Parks and Recreation Director.

Job Environment:

Work is performed indoors and outside under all prevailing weather conditions and according to assigned work schedules including week days, weekends and holidays. The work involves supervising and being physically able to participate in a broad range of passive and active recreation programs. It involves the operation of manually controlled, electronic, motorized and/or other powered equipment incidental to recreation programming requiring physical dexterity and communication skills. The nature of the work performed or the work environment may be hazardous requiring a working knowledge of relevant job safety practices, the use of safety equipment and enforcing compliance with industry standard safety procedures and precautions.
