## The Hebron Economic Development Commission Wants YOU!

Can you fill in the blank on this sentence?

"One thing that Hebron ought to be doing to encourage businesses to grow is \_\_\_\_\_."

If you had a good answer to that question, you might be who we are looking for. The Hebron Economic Development Commission (EDC) has two vacancies to fill, and would love to get some participation and help from the Hebron business community.

### OUR MISSION

---

To promote the growth of Hebron's non-residential tax

base in a manner consistent with the town plan while minimizing the impact on the existing environment or the desirable rural character of the community.

The EDC is a non-regulatory town board that helps to promote the growth of Hebron's non-residential tax base in a manner consistent with the town plan while minimizing the impact on the existing environment or the desirable rural character of the community by:

- Working to retain and assist existing businesses;
- Working to attract new low-impact business development to Hebron that will increase tax revenues, and provide desirable goods, services and employment opportunities.

This volunteer board meets monthly and participates in special projects and events like Business Networking Breakfasts, business visitations, produces promotional flyers and marketing videos, and recruits new businesses to town.

If you have interest in participating in the good

work of the EDC, please contact Town Manager Andy Tierney at [atierney@hebronct.com](mailto:atierney@hebronct.com) or via phone at 860-228-5971, x122. You can also [click here](#), or ask EDC Coordinator [John Guskowski](#) for more information.
