Save the Date - Next Business Networking Breakfast is set for Wednesday, October 23

As autumn gets into gear, it is time to explore new opportunities for development and marketing in Hebron. The next Hebron EDC Business Networking Breakfast has been set for Wednesday morning, **October 23, 2019 from 8-9:30 a.m.** in the Community Room (lower level) of the Douglas Memorial Library at 22 Main Street.

In addition to networking with your fellow Hebron businesses and sharing any updates or important events coming up, we will have two presentations:

- Representatives from Hall Communications will discuss the opportunities and value in promoting your business on the Hall network of radio stations, including WILI (1400 AM) and Hot i98.3 FM.

- Hebron Realtor/Developer Mac McCarrison will present plans for "Toomey's Crossing, a mixed-use development opportunity in the heart of Hebron Center

We look forward to seeing everyone on October 23. If you have any questions about this event or other Economic Development issues, please contact [EDC Coordinator John Guskowski](#).
