WE ARE HEBRON

Citizen Leadership Academy

Historic Charm

With a Vision for the Future

We Are Hebron

Leadership Academy

We are Hebron Leadership Academy is a hands-on opportunity for town residents to learn about the inner workings of our town's government.

The sessions are structured to give the attendees a heightened awareness of the services the town delivers along with knowledge of local government operations.

By the conclusion of the sessions the resident will have an understanding of the functions of our local government and the roles of our town employees. Residents will realize then that they too can get involved and offer their talent to our town as a volunteer.

Comments from Past Program Participants:

"Loved the program! Learned something new each week."

"The program was well organized and thoroughly explained the important functions of the town and its departments. Participants are prepared for active town participation upon completion."

"Highly recommended."

"Proud of Hebron. Thank you—all was done very well—I feel privileged."

"Loved the series. I'd be happy to discuss my experience further if it is helpful. I encourage you to continue with it"
